Alice Carroll hardly remembers life before the plague. When the undead first crawled from their graves, it was like a nightmare. When they killed her mother, the nightmare became shockingly real. Now her sister Dinah has contracted the 'un-deadly' virus and without a cure, soon she'll be worse than dead.

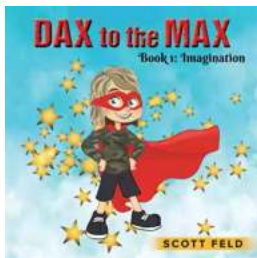

She'll be Momerath.

To save her sister, Alice must leave the safety of the Sector and venture into Momerath territory in search of an antidote - if it exists. Chasing a rumor about a mysterious doctor with a cure, Alice falls down the rabbit hole into Wonderland, where ravenous Momerath aren't the only danger lurking.
