”... very cute read! Really, there were absolutely no surprises at all, it was completely obvious how everything would play out and the writing was also pretty simple but still, the story was cute, warmed my heart and made me smile a lot. A light and fun read! Side note: It’s a pity I haven’t read Secret Santa before reading Be Mine since the characters from the previous book get mentioned a few times...”—Jessica, Goodreads

ABOUT SABRINA JAMES

One of the reasons why Sabrina James loves writing romantic comedies is because she loves reading them and watching them! Two of her favorite romantic comedies are Clueless and Legally Blonde. When it comes to “classic” romantic comedies, Breakfast at Tiffany’s, starring Audrey Hepburn, is her absolute favorite. Has anyone ever worn a tiara and black dress better?! Sabrina has always been a huge reader. As a teen, some of her favorite authors were Beverly Cleary, Judy Blume, R.L. Stine and Lois Duncan. When she got older, she devoured the novels of Danielle Steel, Jackie Collins and Sidney Sheldon. Her books appeal to fans of Rachel Hawthorne. Sabrina currently lives in New York City, with her cat, Miss Thing, and an apartment way too small for all her Pop! Funko figures – she can’t stop buying them! Sabrina loves to hear from readers.
