Introducing the Vietnamese Alphabet

To become proficient in Vietnamese, it is essential to familiarize yourself with the Vietnamese alphabet or the "Bảng Chữ Cái." The alphabet is composed of 29 letters, including 22 consonants and 7 vowels. Here are the letters in the Vietnamese alphabet:

1. A - Ơ

2. B - P

3. C

Mastering the Vietnamese alphabet sets the groundwork for reading, writing, and understanding the language. Practice writing each letter and their respective sounds to gain confidence in using the Vietnamese script.

Embarking on a language learning journey is an enriching experience, and Vietnamese is a language filled with beauty and cultural significance. By learning the first 100 words in Vietnamese, associating them with colorful pictures, and familiarizing yourself with the Vietnamese alphabet, you lay the foundation for effective communication and future language growth.
