Each page of My Big Wimmelbook Dinosaurs is filled with intricate and vibrant illustrations, depicting a prehistoric landscape teeming with dinosaurs. From towering Brachiosauruses to fierce Velociraptors, children will encounter a variety of dinosaur species as they turn the pages. The beautifully detailed illustrations make it easy for little ones to identify different dinosaurs and learn more about them.

### Learning Opportunities

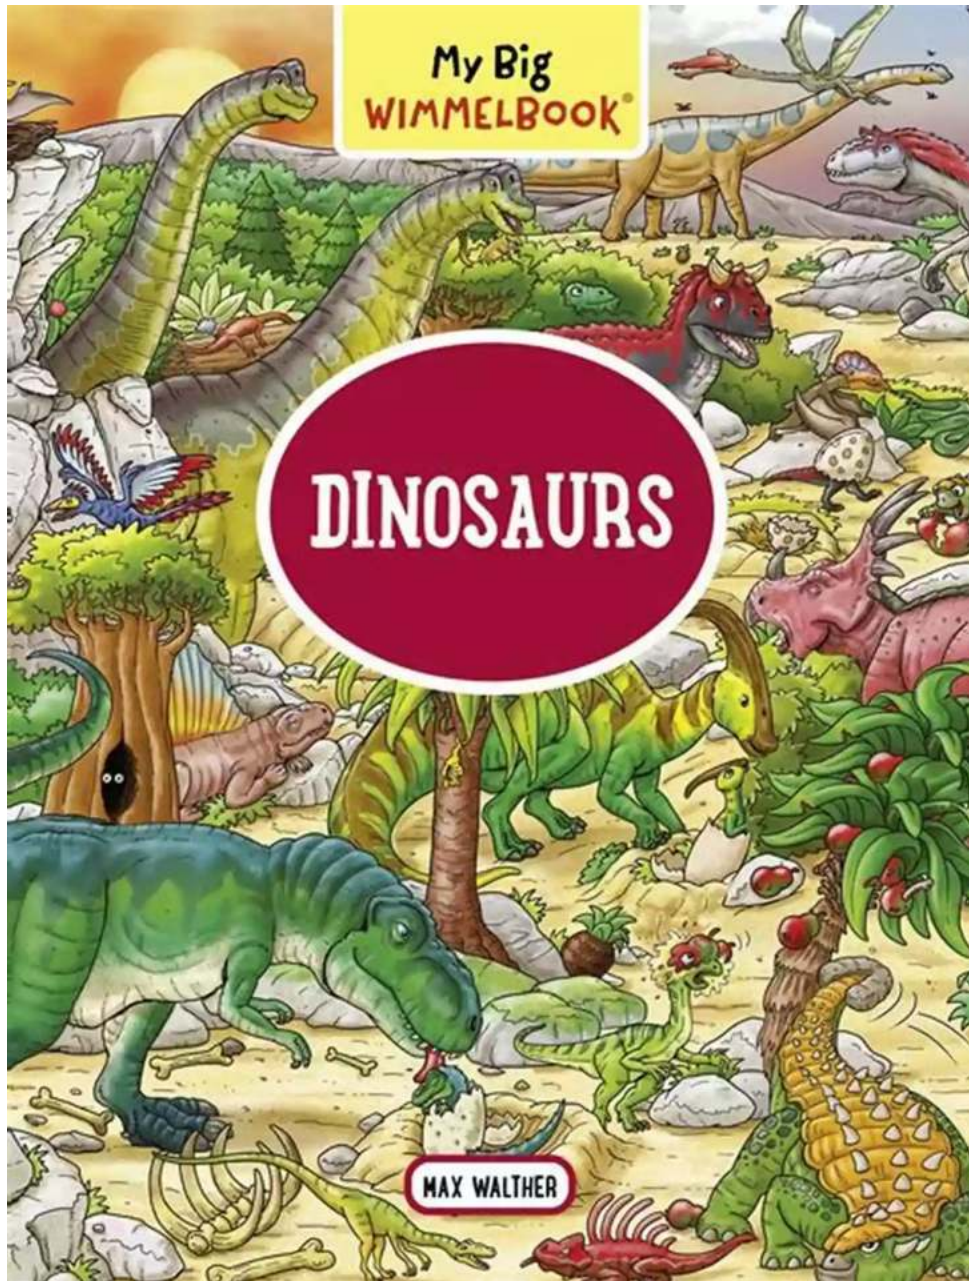

While My Big Wimmelbook Dinosaurs offers endless entertainment, it also provides valuable learning opportunities for young children. As toddlers immerse themselves in the prehistoric world, they develop essential cognitive and motor skills. By spotting and identifying different dinosaurs, children enhance their visual recognition abilities. The book also promotes critical thinking as children search

for hidden objects, encouraging them to pay attention to details and think analytically.

Additionally, My Big Wimmelbook Dinosaurs introduces children to basic concepts such as counting, colors, and shapes. As they observe the illustrations, toddlers can count the number of dinosaurs, identify various colors, and distinguish different shapes, fostering their cognitive development.

## **Engaging Interactive Features**

My Big Wimmelbook Dinosaurs is not just a simple picture book. It is packed with interactive features that will keep toddlers entertained for hours. The book includes flaps to lift, doors to open, and windows to peek through. Little ones can explore hidden areas and discover surprises as they engage with the book. These interactive elements not only make the reading experience more enjoyable but also promote fine motor skills and hand-eye coordination.

## **A Book for All Senses**

My Big Wimmelbook Dinosaurs engages all the senses, making reading an immersive and multisensory experience. The vibrant illustrations stimulate the visual sense, while the textured pages add a tactile dimension to the book. Children can feel the rough skin of a dinosaur or the smooth surface of a prehistoric rock, enriching their sensory exploration.

The absence of text also encourages parents to engage in conversation with their little ones. Together, you can create stories and discuss what you see on each page, fostering language development and nurturing the parent-child bond.

## **An Ideal Gift**

My Big Wimmelbook Dinosaurs makes for a perfect gift for toddlers and young children. Its high-quality construction ensures durability, with sturdy pages that can withstand the enthusiastic exploration of little hands. The larger format of the book makes it easy for children to hold and manipulate, ensuring a comfortable reading experience.

My Big Wimmelbook Dinosaurs is an engaging and educational board book that promises hours of entertainment for curious toddlers. Its captivating illustrations, interactive features, and educational value make it an excellent choice for parents who want to spark their child's imagination and foster learning. So, why wait? Embark on a prehistoric adventure with My Big Wimmelbook Dinosaurs today!

My Big Wimmelbooks let kids ages 2 to 5 be the storytellers with hours of seek-and-find hands-on learning—and fun!

In these one-of-a-kind picture books, every page is bursting with life—and tons to discover! Children as young as age 2 have a blast pointing out recognizable things, while older kids can follow the star characters from page to page, telling their stories along the way.

How? Wimmelbooks are virtually instruction-free, inviting kids to make their own way through the busy Wimmelworld they encounter, and to craft their own stories. First, you're introduced to a unique cast of characters who are hidden in plain sight on the pages that follow. As you seek them out, each character's storyline unfolds, but it's up to kids to interpret the scenes and create stories they think fit. It's hours upon hours of fun—and an effortless to literacy to boot.

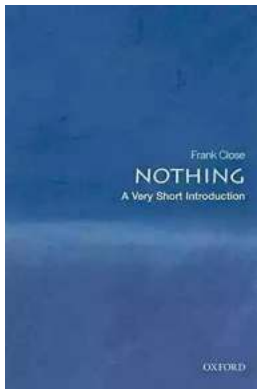

My Big Wimmelbook—Dinosaurs is a blast from the past—the Mesozoic Era, to be exact! From the famous Tyrannosaurus to the curious Triceratops, readers will be introduced to a cast of unique dino-kids as they go about their day swimming,

flying, and stampeding through the dense jungle, by the seaside, up a bustling river, and more!

About WimmelbooksAbout Wimmelbooks

Wimmelbooks originated in Germany decades ago and have become a worldwide sensation with children (and adults!) everywhere. My Big Wimmelbooks is the first-ever Wimmelbook series to feature Wimmelbooks as Wimmelbooks in English. They've been praised as "lively . . . and abounding with humor and detail" (WSJ), likely to "make any parent's heart sing." (NYT)
