Materials Needed

- 5mm crochet hook
- Worsted weight yarn (5 skeins of 100g each)
- Tapestry needle
- Scissors

The Crochet Pattern

To begin your Fran Crochet Blanket, start by creating a foundation chain of 150 stitches using your 5mm crochet hook. Make sure to keep an even tension throughout to ensure a consistent size.

Row 1: Double crochet in the 4th chain from the hook, double crochet in each stitch across. Turn.

Row 2: Chain 2, double crochet in the first stitch, *chain 1, skip next stitch, double crochet in the next stitch.* Repeat from * to * across, ending with a double crochet in the last stitch. Turn.

Continue repeating Row 2 until you have completed 45 rows in total.

Adding Colors

Now is the time to add some vibrant colors to your Fran Crochet Blanket. Choose a color sequence that reflects your personal taste or complements the existing décor. Feel free to experiment with different color combinations to achieve the desired effect.

Finishing Touches

Once you have completed the desired number of color repeats, finish your Fran Crochet Blanket by repeating Row 2 for an additional 5 rows. This will create a beautiful border that enhances the overall look of the blanket.

Finally, weave in any loose ends using a tapestry needle and trim off excess yarn with scissors.

US Version : The Fran Crochet Blanket is proof that simplicity is often the most direct path to sophistication. With this clever combination of simple stitches worked in a single colour, designer Shelley Husband has produced a handsome blanket that is a timeless classic. One large motif is complemented by four smaller variations on the theme. Together, they will add warmth and texture to any room in your home.

The Fran Crochet Blanket pattern is more than just written instructions. This ebook includes charts for each square motif, round-by-round photos, and helpful information on any technique that might be unfamiliar to beginning crocheters. There are also links to YouTube video tutorials for the stitches and techniques you'll need to complete the blanket. The finished blanket measures a generous 68" (173 cm) square.

Because Fran is made in a single color, the detailed stitch work is the star of the show. There is no need to fuss with changing colour, and fewer ends to weave in when you're done. Choose your favourite colour of DK or worsted weight yarn to make a blanket you'll cherish for years.
