Each year, as the Hurricane approaches, Alex gets a restlessness in his bones. The anticipation builds, and he knows it's time to pack his gear and hit the road. With his trusty van, he embarks on a journey to find the perfect spot to ride the beastly waves.

The road represents freedom for Alex – a chance to escape the monotony of everyday life and fully immerse himself in his passion. As he drives from one coastal town to another, he encounters breathtaking landscapes, quirky characters, and unexpected challenges. From staying at run-down motels to camping under the starry night sky, each day brings a new adventure.

An Intimate Bond

Throughout his nomadic journey, Alex forms an intimate bond with nature. He learns to read the subtlest signs of the weather, predicting when and where the Hurricane will strike with deadly precision. His connection with the elements is almost spiritual, and he feels like he becomes one with the wind and the waves.

But it's not just nature that Alex connects with on his journey – it's the people he meets along the way. From fellow windsurfers who share his passion to locals who welcome him with open arms, Alex builds lasting friendships and a tight-knit community wherever he goes.

These friendships are the glue that holds Alex's crazy days and nights on the road together. Together, they face the challenges of living life on the edge, supporting each other through epic wipeouts and celebrating triumphant rides on massive waves.

A Rollercoaster of Emotions

Life on the road with the Hurricane is not all sunshine and rainbows. The constant physical exertion takes a toll on Alex's body, pushing him to the brink of exhaustion. There are days when the waves are unforgiving, throwing him around like a ragdoll and leaving him battered and bruised.

But it's in these moments of struggle that Alex finds his inner strength. He learns to embrace fear and use it as a source of motivation rather than a hindrance. The adrenaline coursing through his veins fuels him to conquer wave after wave, defying the odds and pushing the limits of what is possible.

And when he finally rides that perfect wave, when everything aligns and he becomes one with the Hurricane, the feeling is indescribable. It's a high that cannot be replicated, an experience that reaffirms his love for windsurfing and makes it all worth it.

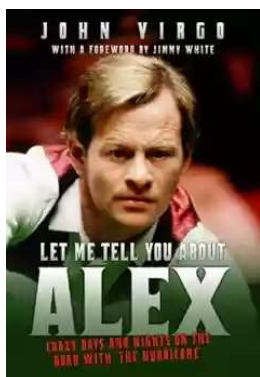

The Hurricane Never Ends

As much as Alex's journey with the Hurricane might seem like a temporary adventure, it's a lifelong commitment. Windsurfing is not just a sport for him – it's a way of life.

And so, as he drives off into the sunset, chasing the next storm, Alex knows that his crazy days and nights on the road with the Hurricane will continue. There will always be more waves to ride, more challenges to conquer, and more stories to tell.

So, if you ever get the opportunity to join Alex on his daring escapades, don't hesitate. Strap in, hold on tight, and prepare for the ride of a lifetime. Let him tell you about his crazy days and nights on the road with the Hurricane, and you

might just find yourself longing for a taste of that wild, adrenaline-fueled adventure.

There is a tribute book to be written about the nicest man in snooker - but this isn't it! Whatever else he was, The Hurricane wasn't nice. He was unpredictable, wild, demonic and obsessive. The Peoples Champion was an unstoppable force who transformed snooker from a niche sport into a must watch phenomenon. Drawing upon unrivalled access to The Hurricane's friends and player colleagues, this is an affectionate and honest portrayal of the most legendary player ever to hit the world of snooker. This is a real tribute book and an honest and affectionate portrait of the snooker legend by John Virgo who was a great friend, rival and compatriot to the most complicated genius ever to grace the game. Virgo was frequently driven to despair by Higgins' antics, the gambling, the drug using, the sheer uninhibited madness of the man but there was always a buzz around the man, there was ALWAYS something happening !
