In a gritty medieval world where the ruling houses are based on the constellations, betrayal, intrigue, and a king's murder force the royal sisters of the Bear House on the run!

Moody Aster and her spoiled sister Ursula are the daughters of Jasper Lourdes, Bear Major and high king of the realm. Rivals, both girls dream of becoming the Bear queen someday, although neither really deserve to, having no particular talent in... well, anything.

But when their jealous Uncle Bram murders their father in a bid for the crown, the girls are forced onto the run, along with lowly Dev the Bearkeeper and the half-grown grizzly Alcor, symbol of their house. As a bitter struggle for the throne consumes the kingdom in civil war—and attracts demonic attention from even darker powers—the sisters must rely on Dev, the bear cub, two mysterious princes from opposing houses, and each other to survive... and find wells of courage, cunning, and skill they never knew they had.

For there are many houses in the Bear Highen—the House of the Hemoth Bear, the House of the White Bear, the House of the Ox, the House of the Lion, the House of the Lynx, the House of Hounds, the House of the Blue Giraffe, and the House of the Shadow Dragon—each of them guided and protected by a ferocious namesake beast. But only one can rule.
