Firelight, which was originally published in 1937, is another wonderful collection of stories by Burton L. Spiller, author of the bestsellers Grouse Feathers and More Grouse Feathers. A keen fisherman, Spiller's third book comprises tales of fishing and other adventures in New England in the first part of the 20th century.

“It's a third book, and it shows that Mr. Spiller's store of swell stories is inexhaustible. In quality it is unbeatable. Again he switches the keys of the emotions from gales to tears so easily and quickly that you are taken right out of yourself, lost in the open country of New England. It's golf, it's bear, it's grouse, and it's always good reading, writing and entertainment.”—Kirkus Review
