This photo-book is a quote "visual story text book" based off my U.S. public sec military service years, mainly deployment days from Fall 2007 to Summer 2008. During that time I, Lieu, Michael W. had over two hundred plus photos of a well known Eastern model cosplayer named "Kipi and or KIPI".

Year is now 2019, and as I look back in my life, I wonder who is this KIPI kosplayer...?

How did she decide to name her self "Kipi and or KIPI" to this day in age as well as back then.

Photos, pictures is worth a lot of words, in this case a thousand as that old saying goes...

Ever since I noticed that fighting game, Mortal Combat with a K. evolving its word to quote "Kombat", it made me wonder about word play on cosplay with a K.

What I seem to realize and notice is that my theory on KIPI, is an acronym for Kosplay In Playing Identities, hence K. In Lieu Of C. for cosplay.

Is kosplay with K. read and pronounce the same as cosplay with C.?

Maybe, maybe not... I look forward to expanding more on this as a science-fiction semi-autobiography story universe genre types narrative books.
