VSI s offer an empowering experience. The reader is taken on a whirlwind tour of the subject at hand, delving into foundational concepts, historical context, and leading theories. These s leave no stone unturned, leaving readers with a solid understanding of the topic, enabling them to further explore and engage in conversations on the subject matter.

## **The Thrill of Discovery**

Very Short s are a treasure trove of insight and discovery. They allow readers to go beyond the surface-level understanding of a subject, delving into its intricacies and nuances. These books ignite curiosity and inspire further exploration, making them invaluable companions for students, enthusiasts, and anyone seeking intellectual growth.

Every VSI is meticulously crafted to present a balanced and comprehensive view of the subject matter. The authors ensure to cover the major theories, debates, and historical milestones that shape the field. By doing so, they equip readers with the necessary knowledge to engage in critical thinking, challenge assumptions, and form well-rounded perspectives.

## **Endless Possibilities for Intellectual Growth**

Very Short s cater to a diverse range of interests, with over 700 titles available spanning various fields and disciplines. Whether you are deeply passionate about philosophy, criminology, genetics, or international relations, there is a VSI waiting

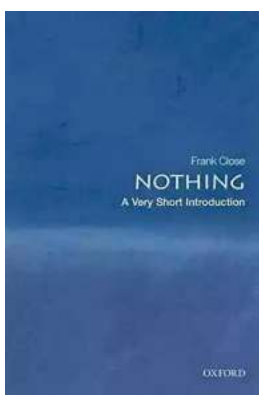

for you. These s offer a gateway to intellectual growth and empower readers to explore new horizons.

Armed with the knowledge gained from a VSI, you'll find yourself equipped to engage in conversations with experts, contribute to discussions, and further your understanding of the subject matter. VSIs serve as springboards for personal growth and provide a solid foundation for continued learning and exploration.

## Unlocking the World of Very Short s

Accessing the enriching experiences offered by Very Short s is easier than ever before. With editions available in both physical and digital formats, you can embark on your intellectual journey from anywhere, at any time. Whether you prefer the feel of a tangible book or the convenience of an e-reader, the world of VSIs is at your fingertips.

Very Short s have become renowned for their ability to provide transformative and liberating experiences. They empower readers to embrace new ideas, challenge preconceptions, and develop an insatiable hunger for knowledge. So, dive into a VSI today and unlock the world of possibilities waiting to be discovered.

### American Political History: A Very Short Introduction (Very Short Introductions)

by Donald T. Critchlow(1st Edition, Kindle Edition)

★★★★☆ 4.4 out of 5

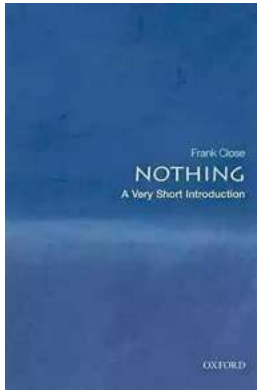

Language	: English
File size	: 1534 KB

Screen Reader	: Supported

The Founding Fathers who drafted the United States Constitution in 1787 distrusted political parties, popular democracy, centralized government, and a strong executive office. Yet the country's national politics have historically included all those features. In *American Political History: A Very Short*, Donald Critchlow takes on this contradiction between original theory and actual practice. This brief, accessible book explores the nature of the two-party system, key turning points in American political history, representative presidential and congressional elections, struggles to expand the electorate, and critical social protest and third-party movements. The volume emphasizes the continuity of a liberal tradition challenged by partisan divide, war, and periodic economic turmoil.

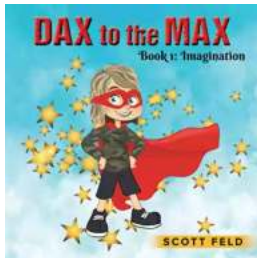

*American Political History: A Very Short* explores the emergence of a democratic political culture within a republican form of government, showing the mobilization and extension of the mass electorate over the lifespan of the country. In a nation characterized by great racial, ethnic, and religious diversity, American democracy has proven extraordinarily durable. Individual parties have risen and fallen, but the dominance of the two-party system persists. Fierce debates over the meaning of the U.S. Constitution have created profound divisions within the parties and among voters, but a belief in the importance of constitutional order persists among political leaders and voters. Americans have been deeply divided about the extent of federal power, slavery, the meaning of citizenship, immigration policy, civil rights, and a range of economic, financial, and social policies. New immigrants, racial minorities, and women have joined the electorate and the debates. But American political history, with its deep social divisions, bellicose rhetoric, and antagonistic partisanship provides valuable lessons about the meaning and viability of democracy in the early 21st century.

ABOUT THE SERIES: The Very Short s series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.
