Decoding the Flavor Profiles: The Power of Taste

Have you ever wondered why certain flavors complement each other so harmoniously? Understanding the underlying flavors and characteristics of both food and wine is crucial to creating a successful pairing. "The Pairings The Complete" unravels the complexities of taste, providing you with a comprehensive compendium of flavor profiles.

Learn how acidity, sweetness, bitterness, and umami can harmonize or clash in a pairing. Discover the effects of various cooking methods on food and how they can influence your choice of wine. With this knowledge, you'll be able to navigate confidently through any menu, selecting the perfect wine to enhance your dining experience.

Red vs. White: Exploring the Broad Spectrum of Pairings

Many wine enthusiasts believe that red wine is exclusively for red meat, while white wine is reserved for seafood and chicken. However, "The Pairings The Complete" challenges these assumptions and shows that the truth is much more nuanced.

Delve into the world of red wine and uncover its versatility. Discover the ideal red wine pairings for poultry, vegetarian dishes, and even some types of seafood. Challenge your taste buds by exploring the myriad of flavors that exist within the realm of red wine.

On the other hand, white wine enthusiasts will find a plethora of unconventional pairings to discover. Enhance the subtle flavors of light meats, elevate vegetarian dishes to new heights, and experiment with unexpected combinations. "The Pairings The Complete" encourages you to embrace the possibilities and expand your horizons.

Beyond the Basics: Breaking the Rules

While guidelines can be helpful, sometimes breaking the rules leads to the most exceptional experiences. "The Pairings The Complete" empowers you to think outside the box and experiment with unconventional pairings. Unleash your creativity and surprise your taste buds.

Discover exciting combinations such as dessert wines with savory dishes, champagne with popcorn, or even beer with fine dining. The possibilities are endless, and the only limit is your imagination. "The Pairings The Complete" encourages you to step out of your comfort zone and embark on a culinary adventure like no other.

Book One: The Pairings

The secret is locked in her mind—and they'll do anything to get it.

Generations ago, humanity was devastated by a virus that wiped billions from the planet. If not for AmeriGlobe's Pairing programme to match immune survivors, and VaxWell's immunity-boosting biomods, humans would've died out.

Lora Flannigan has sought to conform to the strict laws throughout her eighteen years, and after the Testing she now stands on the brink of a prestigious pairing with high-caste Jarid. Accepting the match will pull her and her family up from their low-caste existence.

But Lora never counted on the sparks that ignite when she meets her Pair's striking brother: Syeth—dark, brooding and harbouring secrets. But before she's managed to make sense of her feelings, he's embroiled her in the rebellion

underworld.

And when still darker truths come to light, Lora realizes the purpose behind not only her pairing... but her very existence.

But Lora never counted on the sparks that ignite when she meets her Pair's striking brother: Syeth—dark, brooding and harbouring secrets. But before she's managed to make sense of her feelings, he's embroiled her in the rebellion underworld.

And when still darker truths come to light, Lora realizes the purpose behind not only her pairing... but her very existence.

Book Two: The Carrier

She's a miracle—one BioPure intends to recapture at any cost.

In a world devastated by the Zero Virus, the BioPure vaccine was the cure that saved millions in the apocalyptic aftermath. Yet, it had an unfortunate side effect: it inhibited reproduction, necessitating the Pairings system, which matches couples to one another in order to produce healthy, test-tube babies. But Lora Flannigan is the naturally conceived miracle child with a single genetic flaw that has become her greatest weapon. Perfect recall.

Since Lora uncovered and exposed BioPure's treachery, the enemy has stopped at nothing in their quest to hunt her down. Now part of the rebellion, Lora sets out with her loved ones across the rugged and untamed desolation of New California in order to discover what really happened to her mother.

Book Three: The Unpaired

They thought the virus had been eradicated—but it was only the beginning. Now the race is on.

The rebel forces are hitting BioPure from all sides, but memory depletion is spreading rapidly as the virus New Zero takes hold of the populace.

Lora Flannigan is a full-on rebel now, having thrown herself into helping her biological father develop a cure for the new outbreak that holds her parents in its grip. With her genetically altered perfect recall, Lora's brain holds the blueprint for a permanent cure.

But the Rebellion's not the only group seeking the cure.
