Behind the Pages

Compiled by renowned historians and experts in the field, this esteemed handbook examines the intricate web of political alliances, military tactics, and socio-economic factors that contributed to the outbreak and progression of the Crimean War.

With over 3,000 words exploring the depths of this conflict, readers are taken on a journey that covers not only the major battles and prominent figures but also the

lesser-known stories of soldiers, civilians, and diplomats who shaped the outcome of this tumultuous time in history.

Unraveling the Myths

Perhaps one of the greatest accomplishments of the Handbook is its ability to debunk long-standing myths surrounding the Crimean War. By delving into primary sources and uncovering hidden narratives, readers gain fresh insights into the motivations and strategies pursued by each side.

No longer burdened by preconceived notions, readers can reimagine the events of the war, reassess its significance, and appreciate the complex dynamics that were at play.

The Human Dimension

Beyond the military strategies and political machinations, this Handbook shines a light on the human dimension of the Crimean War. Through poignant personal accounts and heart-wrenching testimonials, readers are transported to the frontlines, hospitals, and homes that bore witness to the devastating consequences of war.

The resilience and perseverance of soldiers, the sacrifices of civilians, and the tireless efforts of medical personnel are vividly portrayed, shedding light on the untold stories that have often been lost to time.

Legacy and Lessons

As the pages of the Handbook turn, readers discover the enduring legacies of the Crimean War. From the development of modern medicine and nursing to the influence on military tactics and international diplomacy, the impact of this conflict reverberates through the years.

This thought-provoking work leaves readers contemplating the repercussions of past conflicts and their ramifications on the present world. It urges us to not only remember history but to learn from it.

A Journey Through Time

Rediscover the forgotten tales of the Crimean War with The Routledge Handbook of the Crimean War. Prepare to be transported back in time, into the lives and struggles of those who shaped this momentous event.

Immerse yourself in the intricate details, follow the captivating narratives, and emerge with a newfound appreciation for this forgotten chapter of history.

The Routledge Handbook of the Crimean War is an edited collection of articles on the various aspects of the Crimean War written by distinguished historians from various countries.

Part I focuses on diplomatic, military and regional perspectives. Part II includes contributions on social, cultural and international issues around the war. All contributions are based upon findings of the latest research. While not pretending

to be an exhaustive encyclopaedia of this first modern war, the present volume captures the most important topics and the least researched areas in the historiography of the war. The book incorporates new approaches in national historiographies to the war and is intended to be the most up-to-date reference book on the subject. Chapters are devoted to each of the belligerent powers and to other peripheral states that were involved in one way or another in the war. The volume also gives more attention to the Ottoman Empire, which is generally neglected in European books on the war.

Both the general public and students of history will find the book useful, balanced and up-to-date.
