

The Taking: A Captivating Sci-Fi Thriller by Kimberly Derting

The Enthralling Plot

Imagine a world where nothing is as it seems, where normalcy is suddenly ripped away, and where a young girl finds herself caught in a web of mystery and extraterrestrial encounters. This is the premise of "The Taking" by Kimberly Derting.

Taken in the blink of an eye, Kyra Agnew has vanished from her hometown, leaving behind a shattered family and a community in distress. But after five years, she returns, and her reappearance is just as sudden and unexplainable as her disappearance. Yet, Kyra is not the same girl who went missing all those years ago. Something has changed within her.

Stranger Things meets The Fifth Wave in this chilling and explosive series from author Kimberly Derting.

The last thing Kyra Agnew remembers is a flash of bright light. She awakes to discover that five whole years have passed. Everyone in her life has moved on—her parents divorced, her boyfriend is in college and dating her best friend—but Kyra's still the sixteen-year-old she was when she vanished. She finds herself drawn to Tyler, her boyfriend's kid brother, despite her best efforts to ignore her growing attraction. In order to find out the truth, the two of them decide to retrace her steps from that fateful night. They discover there are others who have been "taken," just like Kyra. Only, Kyra is the first person to have been returned past the forty-eight-hour taken mark. With a determined, secret government agency after her, Kyra desperately tries to find an explanation and reclaim the life she once had . . . but what if the life she wants back is not her own?
