Many of the left-handed crafters who learned to crochet decades ago had to learn the craft "backwards" from their natural approach because they learned from a right-handed crocheter. Today, that's no longer necessary. There are teachers, tutorials, patterns and more for the left-handed crocheter.

In this guide, you'll learn the basic stitches in left-handed crochet, tips for learning more, information on finding left-handed pattern sources and guidance for adapting existing patterns to your left-handed crochet style. Are you a right-handed crocheter who wants to teach a leftie how to crochet? There's information on that in this guide, too!
