## The Seasonal Delights

With the West Coast Naturalist Almanac, you can embark on a journey through the four seasons and witness the unique beauty each one brings. Marvel at the abundance of wildflowers in spring, explore the vibrant autumn colors, and embrace the tranquility of snowy winter landscapes. The almanac provides detailed information on the best times to visit and the natural phenomena you can expect to witness.

## Native Wildlife and Habitats

Dive into the rich ecosystems of the West Coast as the almanac introduces you to a myriad of fascinating species. Learn about the majestic bald eagles soaring through the sky, the playful sea otters frolicking in the waves, and the intriguing underwater world teeming with marine life. The comprehensive descriptions and mesmerizing photographs bring these creatures to life, sparking a sense of awe and respect for the natural world.

## **Conservation and Sustainability**

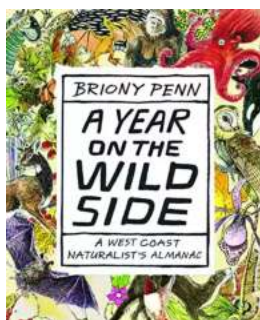

The West Coast Naturalist Almanac also emphasizes the importance of conservation and sustainability. Explore the initiatives undertaken to protect the delicate ecosystems of the region and discover ways in which you can contribute towards preserving the natural beauty of the West Coast for generations to come. By raising awareness about environmental issues, the almanac inspires readers to become responsible stewards of the environment.

## **Expert Tips and Outdoor Adventures**

In addition to its informative nature descriptions, the West Coast Naturalist Almanac offers expert tips and suggestions for outdoor adventures. Whether you're an experienced hiker seeking remote trails or a budding naturalist wanting to learn birdwatching, this almanac serves as a comprehensive resource. It provides guidance on hiking routes, photography techniques, and even camping spots with breathtaking views. With these recommendations in tow, you can embark on unforgettable experiences and create long-lasting memories.

The West Coast Naturalist Almanac is not just a book but a gateway to discovering the wonders of the West Coast. It transports you to a world of lush forests, pristine coastlines, and captivating wildlife. With its long descriptive descriptions, captivating photographs, and expert tips, this almanac serves as your ultimate companion in exploring the natural treasures that await you on the

West Coast. So grab your copy, immerse yourself in its pages, and let the adventure begin!

Shortlisted for a 2020 BC Yukon Book Prize

A freshly designed, new edition of a funny weekly chronicle that offers a year-long, intimate view of the flora and fauna populating the West Coast.

A Year on the Wild Side is a witty commentary on the social and natural history of Vancouver Island. Composed of short, readable essays arranged into 12 monthly chapters, this engaging book reveals the magic and humour of the natural world and reminds us of our place within it.

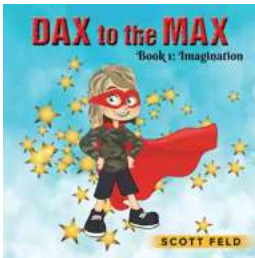

As the weeks and seasons unfold with the turning of the pages, you'll be in sync with the living world that surrounds you. Discover what berries are ripe and the best time to pick them. Learn why the termites swarm, where the herring spawn, and when the maple leaves fall. Get up close and personal with fascinating creatures like the snowy owl, the giant Pacific octopus, the river otter, and more.

The West Coast is abundantly alive, and A Year on the Wild Side invites you to indulge in unforgettable experiences, week by week, all year long.
