The story follows the adventures of Alex Turner, a young and gifted scientist who discovers a remarkable device capable of time travel. With the help of his friends, Sarah and Jake, they set off on a quest to recover stolen summers, preventing a mysterious villain from altering the timeline forever.

## **The Stolen Summers Conspiracy**

In *Time Tracers: The Stolen Summers*, a secretive organization has hatched a nefarious plan to steal summers from key historical moments. Their motives remain unclear, but the consequences of their actions could be catastrophic. It's up to our brave heroes to unravel the conspiracy and preserve the fabric of time itself.

## **Exotic Locations and Enigmatic Characters**

As the Time Tracers embark on their mission, they find themselves transported to various exotic locations across different time periods. From ancient Egypt to futuristic cities, readers will be captivated by the vivid and immersive descriptions of each setting. Furthermore, the story is populated with a cast of enigmatic characters, each harboring their own secrets and motivations.

Meet Professor Alec Blackwood, a brilliant historian who becomes an invaluable ally to the Time Tracers. His knowledge of history and unwavering determination make him an indispensable member of the team.

On the other side of the spectrum, we have the cunning and elusive villain known only as "The Shadow." As the mastermind behind the Stolen Summers conspiracy, The Shadow's true identity remains shrouded in mystery, keeping readers hooked until the very end.

## **A Gripping Blend of Science and History**

What sets *Time Tracers: The Stolen Summers* apart is its seamless integration of scientific concepts and historical events. John Smith skillfully weaves together intricate explanations of time travel mechanics with accurate depictions of various periods throughout history.

Readers will not only be entertained by the thrilling narrative but also enlightened by the meticulously researched historical background. Through the eyes of our protagonists, they will witness the rise and fall of empires, delve into ancient mysteries, and even witness the birth of groundbreaking inventions, all while on a quest to restore stolen summers.

## **Unravel the Enigma and Restore the Timeline**

Twelve-year-old Taj Carter is on a high-stakes mission to track down the time thieves who stole his entire summer vacation—before they steal all the fun on earth! It's an all-new action-packed series by the authors of the critically acclaimed Shivers! series, Annabeth Bondor-Stone and Connor White.

Taj Carter is the kind of kid who has a good time, all the time. He's the class clown. The best friend. The cool big brother. That is, until he wakes up on what's supposed to be the first day of vacation only to find that his entire summer is gone!

But if that seems like a total nightmare, it's actually the least of Taj's worries. He discovers that the time didn't just fly by, it was stolen. By time thieves! And now they're after way more than just one kid's summer break. They're after all the fun on earth, and it turns out Taj is the key to getting it. He has a target on his back and not a moment more to lose. It's up to Taj to find a way to get back his summer—and to save the world from falling completely off the clock.

Authors of the Shivers! series Annabeth Bondor-Stone and Connor White fiercely defend the right to have fun in the first book of their all-new action-adventure series, Time Tracers.
