This collection of personal correspondence provides a rare window into the private life of the towering nineteenth-century philosopher.

Friedrich Nietzsche was the most iconoclastic philosopher of modern history. He is known to the world as the scathingly brilliant provocateur behind such foundational works as *Thus Spoke Zarathustra*, *Beyond Good and Evil*, and *Twilight of the Idols*. This was Nietzsche as he addressed himself to the public. But in this collection of his personal letters, we discover a very different man:

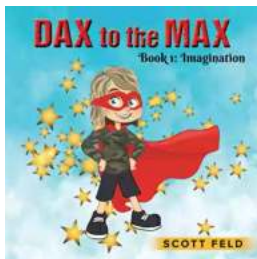

Nietzsche the devoted son; the caring friend; the university student; the shy and distant lover.

Comprised of correspondence between Nietzsche's inner circle—including several revelatory letters to his sister—Unpublished Letters gives readers a never-before-seen look into the philosopher's daily life.
